

Harry Teague is hosting a series of Community Casework Resource Fairs across the 2nd Congressional District in the month of September. These events, which will kick off in Carlsbad on Tuesday, September 14th, will give residents across southern New Mexico the opportunity to meet directly with representatives from various federal and state agencies and get more information on how Harry Teague's office can help with federal agency problems. In addition, local organizations, community and non-profit groups will be on hand to provide more information on the resources available in local communities.

While each Casework Resource Fair will be tailored to community needs, events across the district will feature representatives from the Social Security Administration, Medicaid, New Mexico's Department of Veteran Services (NMDVS), the Small Business Administration's Office of Small Business Development Centers (SBDC), the Internal Revenue Service, and the U.S. Department of Veterans Affairs. Representatives of each group will be on hand to provide one-on-one consultations with members of the community.

**These events are free and open to the public.** For more information on any of the Casework Resource Fairs listed below, residents are encouraged to contact Harry Teague's office at 1-888-9-TEAGUE (832483).
